## **BROKEN HEARTS**

Broken hearts like waves upon these rocks  
There's really nothing left anymore  
A crashing sound more mighty than a storm  
Lay hearts in pieces on the shore  
The tide goes out but the memories remain  
To haunt you once again on another day  
And it hurts much more than this  
No matter how hard you try  
You just can't seem to forget  
Have you ever felt the pain  
Have you stood upon the shore  
And felt the sting of the rain  
How could you ever love again  
While on the sea of broken hearts  
For even one moment  
Someday I hope this too shall pass  
You'll take your heart down from your sleeve  
Keep all the dreams you have  
Someday I hope this too shall pass  
It seems for every broken heart  
There's a love you can't get past  
But sometimes it just works out like that  
Have you ever felt the pain  
Have you stood upon the shore  
And felt the sting of the rain  
Broken hearts like waves upon these rocks  
There's really nothing left - anymore
