CASINO RIVER

**As I walked down Casino River
There on the Vegas strip where the high rollers play
Lady luck was there asleep at the tables
At the fire of the jackpot burning their money away**

**Fate was up all night teasing the gamblers
As the ladies watch them playing safe through the night
While those in the watchtowers ignoring the danger
Cursing the gamers hitting time after time**

**But they don't care what it costs
To challenge the dream
Of winning it all
It's time to believe
Still magic what the odds can be**

**Fame was everywhere seeking her winner
Eying the turn cards feeling the danger within
Something whispers in the heart of the gambler
No one's safe tonight - he's going all in**

**Cause he don't care what it costs
To challenge the dream
Of winning it all
It's time to believe
Still magic what the odds can be**
