LOST ALONG THE WAY

I met this girl - a sweet little darling
Yeah she was okay
A smoking gun - A real heart stopper
My breath she took it away

And all I ever wanted to do
Was make sweet love to you
But somehow we got
Lost along the way - Oh - Lost along the way

Mercy me - just look at that woman
She's everything I need
And it becomes ten degrees hotter
When she's next to me

And all I ever wanted to do
Was make sweet love to you
But somehow we got
Lost along the way - Oh - Lost along the way

And all I ever wanted to do
Was make sweet love to you
But somehow we got
Lost along the way - Oh - Lost along the way
Lost along the way - Oh
Lost along the way
Lost Along the way - Oh
Lost along the way
