THIRD TIME LOVER

It took a while for me to realize that I miss you
And since then I've been in misery everyday
If you'll call my name and stop playing your game
And you're ready to love me once more
I'll be your third time lover
Cause I've loved you twice before

I can't help but saying that I need you
And honey I know you need me to
If you'll promise to stay and not go away
And quit walking out that door
I'll be your third time lover
Cause I've loved you twice before

I've been saving these few words for you darlin
I hope that they haven't hurt you or made you cry
You see I hope and pray that maybe someday
You will love me just like before
I'll be your third time lover
Cause I've loved you twice before
Yeah - I'll be your third time lover
Cause I've loved you twice before
